HEART CRAFT 匠心の作

- A pair of scissor, more than 100 production process
- A mater craft must be more than 10 yrs experience
- Handle, Blade, Screw, Welding, shaping, polish...
- Sharpen the edge, Hollow grinding, hone the line, adjust the balance...
- The Art, The Heart, The Craft.

ACE-AS65

Size: 6.5"
Steel: High Cobalt
Screw: ACE ball-bearing system
Color: Mirror Silver
Craft: Hand Made + CNC Tech

ACE-AS60

Size: 6.0"
Steel: High Cobalt
Screw: ACE ball-bearing system
Color: Mirror Silver
Craft: Hand Made + CNC Tech

ACE-AS55

Size: 5.5"
Steel: High Cobalt
Screw: ACE ball-bearing system
Color: Mirror Silver
Craft: Hand Made + CNC Tech

ACE-AT60-25%

Size: 6.0"-25%
Steel: High Cobalt
Screw: ACE ball-bearing system
Teeth: High tech 3D Sharp Teeth
Color: Mirror Silver
Craft: Hand Made + CNC Tech

ACE-AT60-15%

Size: 6.0"-15%
Steel: High Cobalt
Screw: ACE ball-bearing system
Teeth: High tech 3D Sharp Teeth
Color: Mirror Silver
Craft: Hand Made + CNC Tech

ACE-AST60-25%

Size: 6.0"-25%
Steel: High Cobalt
Screw: ACE ball-bearing system
Teeth: High tech 3D Sharp Teeth
Color: Mirror Silver
Craft: Hand Made + CNC Tech

ACE-AT60-50%

Size: 6.0"-50%
Steel: High Cobalt
Screw: ACE ball-bearing system
Teeth: High tech 3D Sharp Teeth
Color: Mirror Silver
Craft: Hand Made + CNC Tech

DESIGN INSPIRE 设计の灵

- The 1st priority of product
- Design is inspired by life and for better life
- The way you think
- The way you go ahead
- The way you better yourself

Hand Made + CNC Tech : Craft

TECH TODAY 科技の美

- The scissor has more 200 yr history
- In the past 20 yrs, a lot of tech empowered the industry
- High quality Cobalt stainless steel, Deep Frozen Heat treatment
- Precision casting handle, Laser cutting and welding technology
- CNC Tech for accurate T-Force blade grinding, Precision screw system...

ACE-M65

Size: 6.5"
Steel: High Cobalt
Screw: ACE ball-bearing system
Color: Matt Black Titanium
Craft: Hand Made + CNC Tech

ACE-M60

Size: 6.0"
Steel: High Cobalt
Screw: ACE ball-bearing system
Color: Matt Black Titanium
Craft: Hand Made + CNC Tech

ACE-MS60

Size: 6.0"
Steel: High Cobalt
Screw: ACE ball-bearing system
Color: Matt Black Titanium
Craft: Hand Made + CNC Tech

ACE-MT60-25%

Size: 6.0"-25%
Steel: High Cobalt
Screw: ACE ball-bearing system
Teeth: High tech 3D Sharp Teeth
Color: Matt Black Titanium
Craft: Hand Made + CNC Tech

ACE-MST60-25%

Size: 6.0"-25%
Steel: High Cobalt
Screw: ACE ball-bearing system
Teeth: High tech 3D Sharp Teeth
Color: Matt Black Titanium
Craft: Hand Made + CNC Tech

ACE PHILOSOPHY 哲の思

- Making shears is far more complicated than making other beautiful things.
- It had to look beautiful to the eyes, but also beautiful in their hands.
- ACE scissors aim for a balance, for a combination of precise engineering and craftsmanship.
